

CURRICULUM VITAE

Sergei V. ZAKHAROV

Chargé de recherche en démographie, Université
of Strasbourg, France

Membre correspondant, L'Institut d'Etudes
Avancées de Nantes, fondation indépendante,
France

Editor-in-Chief, peer reviewed journal
'Demographic review'

Chargé de recherche en démographie, CNRS Laboratoire SAGE (Sociétés, Acteurs, Gouvernement en Europe), Institut de Démographie (IDUS) Université de Strasbourg, France

Membre correspondant, L'Institut d'Etudes Avancées de Nantes, fondation indépendante / Nantes Institute for Advanced Study Foundation (Nantes, France)

Editor-in-Chief, peer reviewed journal '*Demographic review*'

Date and place of birth: 22 December 1959, Moscow

Family status: Married, two daughters: 1982 and 2000 of birth

EDUCATION AND QUALIFICATIONS

- 1991 =Ph.D, Economics of Population and Demography,
(Dissertation: "Evolution of Regional Demographic Differentials in Russia")
Institute for Socioeconomic Studies of Population
USSR Academy of Sciences and Ministry of Labor (Moscow)
- 1984 - 1988 Postgraduate programme, Economics of Population and Demography,
Institute for Sociological Studies USSR Academy of Sciences (Moscow)
- 1986 Lecturer's Diploma in Statistics, Epidemiological and
Operational Methods in Public Health,
Central Institute for Advanced Medical Studies (Moscow) and
WHO Regional Office for Europe
- 1981 = MA, Statistics and Demography, cum laude
Moscow Institute of Economics and Statistics

MAJOR FIELDS OF RESEARCH

Demographic History of Russia.

First and Second Demographic Transitions.

Fertility and Family Planning in Russia: long-term trends and projections.

Transformation of Family Formation Patterns.

Family Policy in Russia in Comparative and Historical perspective.

Demography of Russian Generations: cohort analysis of fertility, nuptiality, mortality.

Demographic consequence of social crises.

Demographic aspects of the retirement system reform.

Evolution of Spatial Variation of Demographic Indicators in Russia, Ex-USSR and Europe.

Methods and Techniques of Population Analysis.

Infant Mortality in Russia: long-term trends and sub-national level.

PROFESSIONAL EXPERIENCE

Since March 2022	Research Fellow, CNRS Laboratoire SAGE (Sociétés, Acteurs, Gouvernement en Europe), Institut de Démographie (IDUS) Université de Strasbourg, France
2022 - 2023	Research Fellow, L'Institut d'Etudes Avancées de Nantes, fondation indépendante (Nantes, France)
2007 – 2022	Deputy Director, Institute of Demography, National Research University 'Higher School of Economics' (Moscow)
1993 -2006	Head of the Laboratory of Population Estimates and Projections Center for Demography and Human Ecology, Institute for Economic Forecasting, Russian Academy of Sciences
1992 - 1993	Head, Laboratory of Analysis of Population Dynamics, Center of Demography and Human Ecology, Institute for Employment Studies, Russian Academy of Sciences and Ministry of Labor (Moscow)
1991 - 1992	Research Fellow, Center of Demography and Human Ecology Institute for Employment Studies, Russian Academy of Sciences and Ministry of Labor (Moscow)
1988 - 1991	Research Fellow, Department of Demography Institute for Socioeconomic Studies of Population, USSR Academy of Sciences and Ministry of Labor (Moscow)
1986 - 1988	Associate Research Fellow, Department of Demography Institute of Sociological Studies, USSR Academy of Sciences (Moscow)
1981 - 1986	Assistant-Professor, Chair of Health Statistics Central Institute for Advanced Medical Studies, USSR Ministry of Public Health (Moscow)

PROFESSIONAL ACTIVITIES

Teaching:

'Analysis of Fertility and Partnership Relations', Master programme in Demography, Higher School of Economics (2009-2022)

'Principals of Demography, Economics of Population and Population Policy', Bachelor programme, Higher School of Economics (2008-2009; 2016-2022)

'Demographic Analysis of Fertility and Family Formation', Bachelor programme, Higher School of Economics (2014-2016)

'Population and Family Policy', Master programme in Demography, Higher School of Economics (2010-2016)

'Demographic and Family policy', Special Course, Higher School of Economics, Moscow (2004-2012)

'Historical Demography', Russian State University of Human Sciences, Moscow (1998-2003)

'Basics of Population Studies', Faculty of Economics, State University of Physics and Techniques, Moscow (1999-2006)

'Demographic Analysis of Fertility', Master programme in Demography, Lomonosov Moscow State University, (1999-2001)

'Demography', 'Theory of Statistics', 'Statistical and Mathematical Methods in Medical Research and Public Health', Central Institute for Advanced Medical Studies, Moscow (1981-1986)

Editorial Boards' membership:

Demographic Review, the HSE IDEM scientific peer-reviewed electronic journal, membership since 2014, **Editor-in Chief** since January 2021. <http://demreview.hse.ru/en/> ;

Demoscope-Weekly, the HSE IDEM Internet periodical. <http://demoscope.ru> (since 2002).

Demographic Yearbook of the Russian Federation, State Committee of the Russian Federation on Statistics (Goskomstat/Rosstat of Russia) (1994-2005);

Russian Journal of Demography (1995-1999);

Studies on Russian Economic Development (1997-2006).

Consultancy work:

United Nations departments and Organizations: Department of Economic and Social Affairs (DESA); UNFPA, UNDP.

Methodological Council on Population Statistics, Russian Federation State Committee on Statistics (1993-1998); Methodological Council on Statistics, Section of Demographic Statistics and Statistics of Labor, Russian Federation State Statistical Service (since 2017).

'The *POLICY Project*', The Futures Group International in collaboration with The Research Triangle Institute (RTI), and the Centre for Development and Population Activities (CEDPA), supported by USAID (1999-2000).

Research Committee and Co-directorship, Transnational Family Research Institute/Moscow (1994-2003); Director, Transnational Family Research Institute/Russia (2004-2015).

FELLOWSHIPS

1991-1992 (9 months) Visiting Scholar at Institut National D'Etudes Démographiques, 'Bourse Diderot', Maison des Sciences de l'Homme, Fondation Reconnue d'utilité publique (Paris, France).

2012 (6 months) Invited Researcher at Institute of Economic Research (KIER), Kyoto University (Kyoto, Japan)

2018-2019 (9 months) Research Fellow, L'Institut d'Etudes Avancées de Nantes, fondation indépendante

2022 (9 months) Research Fellow, L'Institut d'Etudes Avancées de Nantes, fondation indépendante

SELECTED COLLABORATIVE RESEARCH PROJECTS, Since 1992

International projects

Since 2002 – Research Leader, The Russian Counterpart of the International Project "*Generations and Gender Programme*", promoted and coordinated by the United Nations European Commission for Europe (Population Activities Unit) and the International Consortium of Research Centers.

2021 - 2022 – Principal contributor, International collaborative Russia-Estonia-Finland Project 'Life course transitions and living arrangements: migrant and non-migrant populations in Russia', supported by the Euro-Russian Academic Network Plus (ERANET Plus), the

- Programme of European and International Cooperation funded with support from the European Commission, and the special Grant from the Russian Foundation for Humanities, Coordinated by E.Mitrofanova (HSE University, Moscow, Russia)
- 2017-2020 – Principal contributor, International Project ‘Global Political Demography: Comparative Analyses of the Relationship Between Demographic Change and Politics’, Coordinated by A.Goerres (University of Duisburg-Essen) and P.Vanhuyse (University of Southern Denmark).
- 2015-2018 – Project Coordinator and Principal contributor, International collaborative Russia-Estonia-France Project ‘Russian Families in Different Countries Compared to Ethnic Majority’. supported by the Euro-Russian Academic Network Plus (ERANET Plus), the Programme of European and International Cooperation funded with support from the European Commission, and the special tripartite Grant from the Russian Foundation for Humanities, and Estonian Research Council, and French Embassy in Russian Federation.
- 2014-2016 – Principal Expert, The Russian Counterpart of the International Project ‘*Prospects for a fertility increase in the formerly socialist countries of Central and Eastern Europe*’ collaborative undertaking of scholars from 15 formerly socialist countries conducted under the aegis of the Department of Social Policy and Intervention, University of Oxford, UK
- 2006–2009 – Principal Expert and Contributor, International collaborative Russia-France-Georgia-Lithuania Project ‘*Social Policy towards Modern Family in the Context of the Transformation of Family and Marital Relations*’, supported by the European Union (INTAS Programme).
- 2006 - Senior Research fellow, Project ‘*Family Strategies and Labor Market Behavior*’, supported by a grant from The Economics Education and Research Consortium (EERC), Global Development Network (GDN)
- 2000-2001 – Senior Research fellow, Project ‘*Demographic Modernization in Russia throughout the 20th century*’, supported by the special grant from the John D. and Katherine T. MacArthur Foundation (Chicago, USA).
- 1999-2000 – Research fellow, Project ‘*Policies for the Control of the Transition’s Mortality Crisis in Russia*’, supported by the UNDP (Moscow).
- 1999-2000 – Leader, Project ‘*Reproductive Behavior and Reproductive Health of Adolescent People in Russia. An Analytical Overview*’, The Futures Group Int.-RTI-CEDPA POLICY Project supported by the USAID.
- 1999 - Leader, Project ‘*Intergenerational Interaction in Russian Family and Society: Searching for a New Social and Demographic Policy*’ supported by a grant from the Moscow Scientific Foundation/Ford Foundation.
- 1998 - Research fellow, Project ‘*Social Inequality in Russian mortality*’, supported by a grant from the Rockefeller Foundation.
- 1996-1998 - Research fellow, Project ‘*Human Resources of Russian Federation: Geographical analysis of the Spatial structure and Dynamics*’ supported by the European Union (INTAS Programme).
- 1996-1997 - Senior Research fellow, Project on Adult Mortality in Russia in the 90s, supported by the United Kingdom Government’s ‘Know-How’ Fund, part of the Department for International Development.
- 1996-1997 - Research fellow, International Project ‘*Demographic Dynamics in Russia*’, supported by the European Union (INTAS Programme).
- 1995-1996 - Manager and Scientific Adviser, Project ‘*Family Planning and Public Health Policy in Russia: Shift from Abortion to Contraception in Transitional Society*’, supported by a grant from the John D. and Katherine T. MacArthur Foundation (Moscow - Chicago, USA).
- 1995-1996 - Leader, Project ‘*Population of Russia and Europe: Diverging in the Past and Converging in the Future?*’, supported by a grant from the Research Support Scheme of Open Society Institute/SOROS Foundation (Prague, Czech Republic).
- 1994-1996 – Principal Expert, Program of collaborative research, training and institution-building ‘*Russia’s Demographic “Crisis”*’, sponsored by RAND’s Center for Russian and Eurasian Studies and Center for Demography and Human Ecology of the Russian Academy of Science’s Institute of Economic Forecasting

- 1993-1996 - Co-Leader, Project *Self-regulation of the Demographic Systems in a Changing Diverse Society*, supported by a grant from the Russian Foundation for Basic Studies.
- 1992-1996 - Co-Leader, Project '*New Demography*', supported by a grant from the Cultural Initiative Foundation/SOROS Foundation (Moscow).
- 1992-1995 - Co-Leader, French-Russian joint project '*Atlas démographique et historique de la Russie et de l'URSS*' (Institut National d'Etudes Démographiques/Paris; L'Ecole des Etudes en Sciences Sociales/Paris and Centre of Demography and Human Ecology/Moscow), supported by le Ministère de la Recherche de la France.

Individual research grants from the Academic Fund Program at the National Research University Higher School of Economics (HSE, Moscow)

- 2012-2013 - Project 'Formation of Single-Parent Families in the Post-War Generations of Russians: A Socio-Demographic Analysis'
- 2008-2009 - Project 'Differential Fertility in Modern Russia: The Role of the Change of Permanent Residence'
- 2007-2008 – Project 'Differential Fertility in Modern Russia: The Role of Different Types of Partnership'

MEMBERSHIP IN PROFESSIONAL SOCIETIES

- International Union for the Scientific Study of Population (IUSSP)
- European Association for Population Studies (EAPS)
- Population Association of America (PAA)
- Association for Slavic, East European, and Eurasian Studies (ASEEES)
- Moscow House of Scientists, Demography Section
